Kingsland School

Kingsland School

A Kinder through 12th Grade Public
School of Choice Serving Students
in Burnet & Llano Counties

Our Philosophy

Orenda Schools are based on the "Circle of Courage" philosophy. This is an integrated, holistic approach to child development and learning intended to promote a sense of independence, mastery, belonging and generosity. The Circle of Courage serves as a character development guide for our faculty and our students and helps set the tone for the students to become successful academically.

ENROLL TODAY
Kingslandschooltx.org

Kingsland School is an open-enrollment public charter school that will eventually offer grades K-12 to students in Llano & Burnet Counties. The mission of the school is to prepare our students for admission and success at a top tier university, while nurturing a spirit of generosity, promoting America's founding principles, and imparting 21st century skills for living well in an inter-connected world.

"Citizen, Scholar, Athlete"

Conceived around the ideal "Citizen, Scholar, Athlete," Kingsland represents some of the best thinking in educational innovation. We differ from the large traditional school model in several ways. Our smaller student body, incorporation of the "blended-learning", "flipped-classroom" instructional techniques and full integration of technology to enhance the learning experience sets us apart.

K-12 Public School

For 2022-2023 School Year, smaller and more intimate by design, Kingsland School offers a public school education that feels and functions like a private school.

Our Advantages

- Tuition Free
- T.E.A. Accredited
- College readiness/AVID
- Project based learning methods with Integrated Technology
- Personalized learning plans
- Highly qualified & certified teachers
- Dual Credit
